- A new Secretary was chosen during the meeting. Minutes were recorded for the last half of the meeting only.
- Lance Clark presented his Eagle Scout project to the Board for consideration. Lance would like permission to paint the goals at the soccer field. There was also discussion about permanent benches being built for the field. The GSCYSA could probably supply paint for the goals. Permanent benches might be a problem since fields are rotated each season. More discussion will need to take place between Lance, the GSCYSA, and Parks and Recreation before permission is granted and details are finalized.
- It was reported that the GSCYSA website has been updated.
- Choosing officers for the new year was discussed. The President and Treasurer volunteered to remain in their positions. The U10 coordinator requested to step down. Tami Ballard volunteered to fill the Secretary position.
- We will be looking into raising fees for referees.
- There was discussion about bringing “select” soccer to Scott County. “Select” soccer could begin in the Spring of 2008.
- Nick discussed vandalism at the field. He mentioned the possibility of placing a surveillance sign at the site.
- The picnic area needs to have lightning rods installed. Parks and Recreation will need to be contacted to discuss this topic further.
- Problems with parking at the field were discussed. We need to be thinking of ways to make parking more convenient.
- The Treasurer reported that cash on hand is \$8,985.04.
